

Dear Friends of Eastern Front Theatre,

Eastern Front Theatre plays a unique and important role within the Halifax arts community by creating, producing and disseminating original plays, with a focus on new Canadian works. We want to take our audiences to new places by exploring socially relevant issues in a contemporary context.

The culture in Halifax is thriving and we are happy to contribute by providing a place for people to experience professional live theatre. As a not-for profit theatre, we rely on your generosity in providing sponsorships and private donations, without which we wouldn't exist.

If Eastern Front Theatre is important to you, please donate to guarantee our ability to support our artists and provide extraordinary live theatre to our city! We hope you will consider a partnership with us.

Please know that, no matter the amount, your donation makes an enormous impact on Eastern Front Theatre. For your convenience we have a number of ways you can support Eastern Front Theatre. Please see information on the follow pages.

Please know that, no matter the amount, your donation makes an enormous impact on Eastern Front Theatre.

Sincerely,

Sam Rosenthal
Artistic Producer
(902) 466-2769
