# KNOW THE LAND

Eastern Front Theatre operates in Mik'ma'ki, the ancestral and unceded territory of the Mi'kmaq. As a settler run organization, we are active participants in the story of this land -- past, present and future.

It is our responsibility to seek truth, and to work towards peace and friendship as we share this land.

We encourage our audiences to read the final report of the Truth and Reconciliation commission.

Eastern Front Theatre was founded in 1993 as Dartmouth's first and only professional theatre company, devoted to telling Atlantic Canadian stories.

Over the past 30 years, EFT has championed and supported countless Atlantic Canadian theatre artists through commissions, workshops, our annual STAGES Theatre Festivals, and development efforts like our Design Mentorship Program, Playwrights Unit, and our MACRO/micro Creation Series. EFT has produced or presented over 200 original Canadian plays, 32 of which were World Premieres. We are out to prove that
